### Message from the Director

As we look back on the activities of 2025 as Mindset and Attitude Foundation, I am deeply grateful to our partners, government agencies, dedicated staff and the many individuals and companies who walked alongside us.

Your commitment and collaboration made each of our initiatives not only possible but truly impactful and successful.

Together, we have advanced our mission and created meaningful change in the communities we serve.

### ● Chapati Festival Nyeri Town

This successful event was held at NTSA grounds opposite Whisper's Park on Saturday, October 25th, 2025. We shared a meal with street children while socializing.

The event was supported by the Nyeri County Government, represented by Social Welfare Officer Ms. Hellen Kabangu. Syrona Medical Centre offered a free medical camp and many other sponsors and individuals contributed wheat flour, cooking oil, amenities, covered expenses, making the festival a huge success.

Not forgetting the wonderfully kind and selfless individuals who gave their time and energy, helping with food preparation, setting up the venue, serving the street families and guests and taking on countless other tasks. Your generosity and spirit made the Chapati Festival possible and we truly cherish your valued contribution.

- **Thunguma Children’s Home Visit**

We spent the Jamhuri Day on 12<sup>th</sup> December 2025 with the children and staff of Thunguma Children’s Home. In partnership with Giakanja Parish Youth Local Church St. Joseph Alamano, we prepared and shared a meal with them while engaging in fun activities including dance and discussions. Donations were also made with the help of a number of partners and well-wishers whom we are also grateful for.

- **Little Angels Children’s Home Visit**

Red Cross and KMTC Nyeri partnered with Mindset and Attitude Foundation in a visit to Little Angels Children’s Home where they made donations to the home. They also engaged in sharing a meal while interacting with the children and staff.

- **AFMES Book Launch**

Our founder was happy to launch his first book “AFMES” which focuses on financial literacy and empowerment of individuals. The team at Mindset and Attitude Foundation held media tours across various TV and radio stations to publicize the publication which will greatly impact and empower individuals and families in making smart decisions in matters of money and wealth.

### ● **World Scout Parliamentary Union General Assembly**

Mindset and Attitude Foundation members were honored to participate in the World Scout Parliamentary Union (WSPU) General Assembly, held on 10th November 2025 in Nyeri, Kenya, a landmark occasion marking the first time the assembly has convened in Africa.

Delegates from Luxembourg, Poland, Canada, Morocco, Korea, Tanzania, Croatia, Sudan, India, and Portugal gathered in Nyeri for a guided tour of Paxtu and the Baden-Powell site, celebrating the legacy of scouting and international unity.

### ● **Student Success Stories**

Education empowerment is one of the core goals of the Mindset and Attitude Foundation. This year, several of our sponsored students have successfully graduated from high school and are now awaiting their results as we prepare to support their transition into university in the coming year. We take this moment to congratulate them on their dedication and hard work, and we remain optimistic about the bright futures that lie ahead."

### ● **2026 Plans and Goals**

This year we aim to spread our reach to other parts of Nyeri and its environs, impacting more children's homes and street families. The support in 2025 was great and we appreciate all that have partnered with us so far, hoping to move forward together. We invite organizations, individuals, government and non-governmental organizations that wish to join us in one or all of our community outreach activities in the new year.
